

Pre-Squadding Instructions for PA State Shoot

Online Pre-Squadding is available at: www.rjstuart.com

Deadline for PA State Shoot:

June 2, 2023

- Pre-squad requests will be accepted online only prior to the cutoff date. Telephone requests will not be honored.
- In Handicap Events there shall be no more than two (2) yards difference per squad.
- A shooter may only draw one position per event. Any shooters wishing to squad together must fill out only one form indicating the shooters full name, ATA number and handicap yardage on the line indicating which position that shooter wishes to shoot.
- Applications for full or partial squads that do not have each shooter's information completely and properly filled out will not be honored. Multiple forms for any individual will be discarded and will not be refunded. The first form encountered for an individual will be the only one processed.
- The non-refundable service charge per position, per event, must be included with your request form.
- In an effort to avoid unused positions, it is imperative that you either cashier or release all positions that you have pre-squadded for prior to the event.
- Anyone that does not cashier or release positions that have been pre-squadded in their name will risk having any or all subsequent pre-squadded positions in their name released by management. You may call the office at (570) 672-9747 to have your position(s) released if you are unable to attend.
